*Re: Michael Rivera v. C.O. I O'Haire, et al.*  
No. 1:15-cv-1659 (Middle District of PA)

Dear Honorable Judge Mehalchick,

As a follow-up to our telephone status conference in May, I am writing to let you know that the Department of Corrections has moved Mr. Rivera to SCI Retreat, in connection with housing for the upcoming July trial, consistent with his wishes. It is not anticipated that he will be housed at SCI Dallas in connection with the trial, at all, but, due to the fact that there are no official DOC separation orders in place between Mr. Rivera and any individual at SCI Dallas, this cannot be guaranteed.

I am happy to provide more information upon request.

Sincerely,

A handwritten signature in cursive script, reading "Nicole J. Radziewicz".
